

## Westgarth Primary School

Safe, Fair & Friendly

Dear Parents/Carers,

Westgarth Primary School are happy to announce that we will be using Seesaw this year! Seesaw is a free app which captures your child's learning in real time and can then be shared with you. Seesaw will give you a window into your child's classroom and their learning experiences.

Items posted on Seesaw might include:

- Videos/photos of your child practising a skill/s
- Photos of your child's work
- What we are currently learning
- Reminders about upcoming events

You can download Seesaw's Parent App for iOS, Android, or use the web to view your child's learning artefacts. When new work is added to your child's journal you will receive a notification to see, hear and respond to your child's learning item.

***You only have access to your own child's work via a unique account that you log into.***

We are an eSmart school which promotes the smart, safe and responsible use of information and communications technology. As part of building strong connections between home and school we are asking for your permission to include photos of your child on Seesaw.

Once you have returned the permission slip you will receive a note with further instructions on how to create your account and view your child's journal. Please contact the classroom teacher with any questions about Seesaw or visit <http://web.seesaw.me/>.

We hope that you enjoy engaging with your child's learning on Seesaw!

Jo Wheeler  
Principal
