From the Principal

Welcome back to a wonderful term at Westgarth Primary. I trust you all had a lovely break and that the students are ready to jump back into their final term in their current class and for our 64 Year Six students (and their families), their final term at primary school. From my perspective, it was a very disappointing round of semi-finals (my teams from both codes were knocked out) but it was lovely to see some very happy faces proudly wearing the brown and gold walking around at assembly on Monday morning. The new public holiday was perfectly timed for parents to spend a long weekend with the family to end the holiday break.

I would specifically like to welcome our new students and their families Max (2M), Ben (2Y), Lily (4C/D), Matthieu (3A/T) and Julien (4T). I am sure everyone will make them feel welcome and trust that Westgarth PS will provide them with many opportunities and learning experiences.

We have so much happening this term starting with a wonderfully exciting Whopping Great Fete on Sunday 18 October. That is only 12 more sleeps! There is also lots more on this term including the P–2 students have a sports day as well as their musical performance, and at other levels there are excursions, visiting in-house activities, Year 6 graduation, reports, transition, prep orientation and the list goes on. Please make sure you read the newsletter each fortnight to keep up with the news.

Also, if you have time to stay for assembly on our Brooke St site every Monday morning, you can also keep abreast of any news and join us as we come together as a whole school to start each week.

Composite or straight-year level grades?

There can be concerns among parents about the perceived advantages and disadvantages of their child being placed in a composite grade as opposed to being placed in a ‘straight’ grade. These concerns are often unfounded and are typically based on an incorrect notion that the work is set for the whole class and consequently will be too easy or too hard in a composite grade depending on whether the child is one of the older or younger students in the grade. The simple fact of the matter is that there is negligible difference in the way teachers prepare the curriculum for composite and straight grades.

In today’s classrooms, teachers differentiate the curriculum in the key areas of literacy and numeracy so that the learning is within the students’ zone of proximal development. Zones of proximal development are determined by pre-assessment tasks to ensure that the learning is ‘pitched at just the right level’ – regardless of class structure. Furthermore, teachers regularly plan activities to be open-ended to enable students to perform at their level and to be extended.

In an article published in the Sydney Morning Herald earlier this year, it reported that:

Research, which has been predominantly conducted in primary schools, suggests there is no discernible difference between composite and straight grade classrooms in terms of academic performance. However, benefits relating to student independence, responsibility and study habits have been highlighted. For example, younger children within a composite grade generally aspire to emulate older children in their work, and older children enjoy leadership and mentoring opportunities that lift their self-esteem.

At Westgarth, we provide a differentiated curriculum, so that the students’ needs can be met – regardless of the actual structure or formation of a grade. Please feel rest assured that teachers spend a great deal of time when deciding where to place students for the following year so that each student can continue to work at their optimal level.
Whopping Great Fete
We need everyone to pitch in to help with this wonderful community event. The annual fete provides Westgarth Primary School with much needed funds but, more importantly, it is a great school event that brings our community together. It is a great opportunity to meet new people and develop relationships with others parents and families. The funds raised enable us to run the many programs that we offer as well as meet the shortfall between DET funds and school needs. The Masterplan for the school facilities is currently being developed (a stall showcasing the initial plans will be on display on fete day) so monies raised will help us improve our facilities. We need as many people as possible to ‘sign up’ and ‘turn up’ to assist on the day. Another way you can help is to send drink donations to the office. We need cans of soft drinks, juice boxes and bottled water. We will also be sending ‘cake plates’ home shortly for you to bake a cake to sell on the day. Another way you can help is to let family, friends and neighbours know we are ‘auctioning an auction’. Last year Westgarth parents Sam Rigopoulos and Ben Harrison donated this service raising a whopping $25000 for the school so if you know of someone who is planning to sell their home, encourage them to come along and bid on this incredible donation. See below:

We’re auctioning an auction at our fete live auction!
Hocking Stuart Northcote are again proud to offer the WPS family and friends the opportunity to secure a sales and marketing campaign for your property at our Whopping Great Fete. At 2% of your property value, the value of this prize is in the eye of the property beholder.
This year’s Grand Prize includes a premium Property Advertising campaign. That’s right — valued at an additional $10k (approx) — the costs to print and publish all your marketing materials has also been donated. Secure this prize and you will have zero out of packet expenses for your property sale!
How does it work?
Bid successfully on fete day and you will secure:
- A full service auction campaign and auction day services managed by company senior partners (and WPS dads) Sam Rigopoulos and Ben Harrison. (Current holders of the Northcote suburb price record.)
- Free property styling advice and presentation-related trades and services.
BUT WAIT, you also get a premium Property Advertising campaign! This includes internet, print marketing, boards, photography and videography.
Sales commission AND marketing expenses fully included in our Auction for an Auction deal.
The fine print for the successful bidder:
- Valid for any property located in the inner north service area.
- On fete day, you will sign an exclusive deal with Hocking Stuart to sell your property within 9 months (i.e., the usual ‘you can’t switch to another agent, but then, why would you?)
- Pay nothing until settlement. On settlement of the property sale, payment equal to the amount bid on fete day will be made to the school. i.e., no payment required on fete day.

Super Science Club Launch
WOW! What a brilliant event this was! Congratulations to the dedicated team of parents who came up with the idea and then tirelessly organised and implemented the launch. The hundreds of students and adults who came along to the afternoon were enthralled by the exhibits and had their curiosity piqued by the wonderment on display. I get the feeling that this is just the start of much to come in the area of science at Westgarth PS so ‘watch this space’! I feel very privileged to be principal of a school with such fantastic parent involvement - parents who seek to add value to the curriculum we provide at our school.

Cheers,
Jo Wheeler
Principal
Diary Dates 2015

Wed 7 & Thurs 8 Oct  Walktober - Walk to School in October
Sun 18 Oct              Whopping Great Fete
Thurs 22 Oct            Prep Excursion Melbourne Botanic Gardens

Finance          Thurs 29 October 8.30am Jo’s office
School Council    Wed 4 November 7.00pm in Staff room

Term Dates 2015

Term 4 - 05/10/15 - 17/12/15
Curriculum Day     02/11/15
Curriculum Day     18/12/15

Hola! The art room is in need of GLASS JARS and NEWSPAPERS. Year 1 and 2 students will need one glass jar each to make their city skyline candles. The jars should be about 10-15cm tall and wide enough to fit a small candle. If you have any spare jars could you please leave them on the table outside the art classroom? Muchas gracias!!! Marta

Vic Health’s Walk to School in October

Once again this October we are encouraging students to get active and either walk, ride, skate or scoot to and from school. Did you know that, at a time when childhood obesity is rising at an alarming rate, less than one in five Victorian school students walk to school on a regular basis? Each class by now will have received a ‘Walktober active travel thermometer’ which will be filled in each day – recording how the students travel to and from school. Every Friday the school captains will work out how many trips each class did for the week and transfer that data to a giant ‘Walktober thermometer’ in the foyer area on Brooke Street.

The City of Darebin, in conjunction with VicHealth, are providing a healthy breakfast at the end of the month to celebrate our achievements! We are aiming for 10,000 active travel trips so let’s all get moving this October!

Andy Ashton & Dorothy Markou

Guitar Lessons for Westgarth Primary School Students

I currently have limited spaces available on Mondays after 7:00pm and Thursdays after 6:00pm. Lessons are held in the music room on the Clarke St site. Please call Jonathan on 0420 927 498.
Sport News

District athletics day
Well done to all the talented Westgarth athletes that competed at the District athletics day on Monday, 14 September at Collingwood Harriers. Our team performed really well and topped the score table with a whopping score of 960! This year, the District decided to handicap all the schools’ overall results based on the number of their student enrolments. Westgarth is the biggest school in our district so we were heavily handicapped but still came second overall. A fantastic result!

Good luck to the following students who are competing at the Division athletics carnival on Tuesday, 6 October:

New team selection process for Westgarth swimming team

We have decided to change the trial selection process for the 2016 Westgarth swimming team. In preparation for next year’s event, students in Years 3, 4 and 5 are invited to enter the trial day – a day where the events will be timed. Students wishing to enter an event must return a note from his/her parents stating which strokes he/she can swim 50 metres confidently (without stopping). We have booked the Northcote Aquatic outdoor pool on Thursday, 19 November from 10:00 – 12:30pm. Students that cannot swim 50 metres confidently will remain at school. Once all the times have been collated, the Westgarth swimming team for 2016 will be announced. Unfortunately, if your child is sick or away on the time trial day, they cannot be considered for the swimming team. A note will go home to all 2015 Year 3-5 students next week.

Super Science Club Launch Thank you

Thanks to everyone who helped out at our Super Science Club launch, and a huge thank you to Michael Napoli and Andrew Middleton for taking over 100 photos! Wow it was hard to pick just a few for the newsletter! We will work on getting some up on the school’s Website soon too! Super Science club will also be running a paper plane competition and a “Colour! Light Movement!” stall at the fete, so come and say hi and have some more science related fun!

John and Kylie Marty, as well as their parents! For sherbet, body bits, anatomy, how many atoms?, Emma Savage organiser and Science club info table, Kerry Mahoney, organiser and Turing test/Al, Jessamy Miller, organiser, banner maker and Super Science Club info table, Nicole Cook, organiser and rockets, Jacqueline Maplesden, organiser,

banner maker and neuroscience Gede Suparsa, organiser, Dan Tyrell, technical support, film in gym, providing microscopes, whiteboards and more, Nerida Weller, organiser and giant bubbles, Tamsen Osbourne, anatomy, Dana Wong, neuroscience exhibit, Catherine Macguire, neuroscience, Mark Dinning, water pressure, Angie and Mark Cooper, hand illusion, Anita Siassios, hot air balloons, Tony McLachlan, Zoe McLachlan, Michael Napoli, photographer,

Andrew Middleton, photographer, Julie Atkins, microscopes, Tanya Elliott, Michael Silverton, fossils, Chintha De Alwis, balloon skewer trick and homemade lava lamps, Samone Towers, simple inheritance, Johnathon Power and Ben Hutchins, Dry ice food, Lilian (lily) Ceron-fernadez, John Packham, Caroline Roberts, Nicci Leung, paper planes team,

Micheal Horacek, Code Club exhibit, Wendy and Ken Savage, animal bones, Penny Smith, Anna MacWilliams, Kathy Vallay, Claire Gazis, Lis Blake, Ralph Johnstone, Rob Wallace, Ned Power, inside the Brick for 200 free passes! Australian Geographic Store for some lovely animal stickers, CSIRO for some Double Helix magazines and activity cards.
**Whopping Great Fete**  
**Sunday 18th October 2015**  
**12 more sleeps!**

**Rosters open for bookings**
Parents coordinating stalls need help serving customers or collecting tickets and organising queues. No special skills are required. To signup to a roster...

- **Step 1:** Go to [www.schoolinterviews.com.au](http://www.schoolinterviews.com.au) using Event Code: **4RS5P**
- **Step 2:** Choose a stall and a timeslot – enter your name and contact details.
- **Step 3:** Keep going – choose as many stalls and timeslots as you like.

Stalls have been allocated to classes (listed in brackets next to stall name) to help the socialisation of parents within a class group. Sign up to your child’s class to be social, but really you can signup to any stall - one that a friend is running, or that you have a particular interest in, or that has a timeslot available that suits you. We don’t mind as long as you signup! Get in early to get the best spots.

**Early-bird Activity Wristband orders**
Wristband orders went home with eldest children yesterday. For $23 per wristband your child gets unlimited access to 12 rides and activities at the fete. (Note that Face Painting, Tattoos & Hair Salon and the Whopping Great Amazing Race are not included and are payable by cash or tickets.) This never to be repeated offer, will go up to $28 per wristband on fete day.

**Please return orders with payment by: THIS FRIDAY 9 OCTOBER**

---

**DRAWING COMPETITION**  
- Entries Due: **MONDAY 12 OCTOBER**

---

**Timeline to delivery of donations...**

The Terrific Trash and Treasure stall needs your stuff to sell!
Don't throw out your unwanted tools and left over renovation items, ornaments, vases, cushions, metres of fabric, art materials, pots and pans, curtains, exercise equipment, etc. (but no electrical items please).

You may think your stuff is trash, but it may be just what someone else is looking for to decorate their home, to upcycle or to create an art installation. You would be amazed at what people buy! And less clutter is good for a clear mind!

So while you spring clean please put aside a box of treasures and bring them to the Grade 3 Shayne’s portables (the 4 that are joined) on October 16th from 3 to 5pm or Saturday 17th all day for sorting and pricing. If you really can't wait that long or have any questions please contact Janine Parker (Kasper grade 5 Kylie and Scarlett Grade 3 Shayne) by email janinemparker@gmail.com

Craft Stall
Can you please leave your donations for the craft stall at the office with Nella and Janine in a clearly marked bag/box for collection. Jo and I will be collecting items over the next week and a half with an aim to pricing things on Saturday 17 October. This is to ensure we can be as organised as possible on the day of the fete.
If you have any queries please contact Helen (0414 753 094)

MORE COLD DRINKS NEEDED!!
Load up your trolley and drop off juice boxes, water bottles and soft drink cans to the Brooke Street office foyer. Thousands of people are coming next week and if this warm weather keeps up they will be very hot and thirsty!

Saddle Up for Cup Weekend in Torquay
One of our major prizes in this year’s auction is a holiday house stay in ‘Old Torquay’ available for 4 nights over Cup Weekend (first weekend in November). This 3 bedroom house is located one street back from Fisherman’s Beach and a short walk to the main street and shops. It would suit 2 families (sleeps a total of 12) with ample indoor/outdoor entertaining areas.

So if you don’t have plans for the long weekend (remember it’s Curriculum Day on Monday, Cup Eve), get some friends together and get ready to bid at the live auction on fete day! Bidding will start online later this week – stay tuned for the TiqBiz launch. All enquiries to: whoppinggreatauction@gmail.com

Our fabulous new Science Club comes to the Fete!
Our theme is “Colour, Light and Movement.” So come along and explore illusions, 3D reality, rainbows and more. We will be opposite the Kids Cafe.
Helpers still needed. Contact Nerida (Oscar 5 Sarah, Alice 1 Vicky) if you'd like to offer an hour. Ph: 0421 350 854.
**Calling all Lemon Butter makers**
Well, you really know we’re getting close to Fete day when it’s time to do the Lemon Butter call-out…. so here it is........If anyone would like to make us some delicious Lemon Butter to sell at the Home Produce Stall on Fete Day, please get in touch ASAP - we would love to hear from you! We can supply jars and recipe if needed.
And don’t forget our upcoming Labelling and Frocking sessions: Thurs 8th Oct and 15th Oct, plus an extra date this Wednesday 7th Oct. All 7.30-9.30pm, at Trudy’s garage (contact me for address if you need it). One of the highlights of the Jammy social calendar, these exclusive events are not to be missed. So come on down if you’re free, and get into a bit of wine and cheese (while we work your fingers to the bone without you even noticing)
Anne, on behalf of Jammy team, 0417 114 088 wundernelli@bigpond.com

**Calling all bakers!!! Kids' Cafe 2015**
The Kids’ Cafe is being held again this year in the canteen. Fruit, popcorn, cordial and an array of cupcakes, biscuits and little treats will again be on sale. And that's where you come in!
If you love baking, or if your kids love baking, Please take some time to bake some biscuits, cupcakes, honeyjoys, chocolate crackles or whatever takes your fancy. Even the tiniest plate of goodies will be very gratefully received! **Please list the ingredients and please no nuts.**
Deliveries can be made to me (Sarah) in the canteen on Saturday afternoon before fete day (17th October) or first thing on the morning of the fete. Please label Tupperware containers and lids so they can be returned to you.
For any questions contact Sarah Oliver (Chris, 2N and Amy, Prep Rosie) - sarahfrancesoliver@gmail.com or 0411 394 558

**Toy Stall**
Toy donators, I feel your pain. I spent many painful hours sorting and packing up toys over the holidays, and now they are just sitting in my hallway, taking up valuable real estate and mental energy. However, it is not long to go...the toy minions will be standing by to take your carefully parcelled up donations on Friday 16th October, outside the grade 3 portables on Clarke Street. We will also be there on Saturday 17th from 8am until 4pm...and if you want to stay and help with sorting and pricing for an hour, hooray for you! We look forward to receiving this year’s on-trend toys (I’m thinking furbies, friends lego and the perennial toy story characters will be big!) and any games and puzzles you have had time to check for lost pieces and seal up nicely for us. Thank you in advance for the amazing toy generosity Westgarth always shows. Go toys!
The Toy Team
Plant Stall
“Spring was moving in the air above and in the earth below and around him, penetrating even his dark and lowly little house with its spirit of divine discontent and longing.”
Kenneth Grahame, The Wind in the Willows

Spring is definitely in the air and all our plants as so looking forward to new homes. Tell your friends, work colleagues and family it will be a bumper plant stall again at this year’s fete. In the spirit of getting your green thumbs twitching again we present the A to Z of tomatoes (followed next newsletter with the A to Z of herbs, vegetables and your favourite annuals, perennials and succulents).

yellow Pe“A”r, "B"lack beauty, wapsipini"C"on peach, bran"D"wine, ch"E"rry roma, "F"lorida basket, "G"reen grape, amis"H" paste, t"I"gerella, "J"aune flamme, black "K"rim, gosse "L"isse, san "M"arza"N"o, br"O"wn berry, "P"ink bumblebee, "Q"uick, quick don’t miss out, "R"iesentraub, "S"iberian, "T"iny tim, b"U"rk's backyard, roma "V"5, "W"ipersnapper, select from heirloom mi"X", sunn"Y" boy, and green "Zebra".

Final Call for the Music / Performance Stage
Westgarth Fete 2015

Just a final call out for anybody who would like to do a spot on the music/performance stage during the Fete on the 18th of October, please send a message to me, pmmcgow@hotmail.com or call on 0425 787 698. Currently there are times available in the morning and afternoon, should you wish to perform.

Let me know what you would like to do, if there are any requirements for the stage (some equipment will be available on the day, similar to last year) preferences for time slots etc. A schedule has been drafted, but can be amended to suit peoples availability where possible. Cheers, Phil McGowan
