From the Principal

Parent Helper ‘Thank-you’ Breakfast
Westgarth Primary School couldn’t function as well as we do without the wonderful contributions of our families. Parents/carers, aunts, uncles, grandparents and other volunteers contribute to our school to varying degrees and in various ways (committees, home reading, fete coordination, fete contributions, musical assistance, Kitchen/Garden, Super Science Club, Coding Club, Parents & Friends, Prep Orientation etc). We would like to invite anyone who has contributed as a volunteer at Westgarth PS in 2015 to our Volunteer’s Breakfast on Monday 7th December from 8.15am inside/outside the staffroom (Brooke St) in recognition of our appreciation of the work you do for our wonderful school. If you are able to attend please RSVP via the school email westgarth.ps@edumail.vic.gov.au for catering purposes. Children of those attending can play in the Brooke St playground where staff will be on duty.

P/1/2 School Musical/Performance Night Tuesday 1st December
We would like to invite the families of our P/1/2 students to a twilight performance at the Brooke St site on Tuesday 1st December. The songs that students will perform all connect to a space journey. The astronauts who pilot the rocket get followed home by aliens who like underwear and of course, the children break in to song to tell us all about it! A separate note (paper copy) is coming home with details about costumes and will answer all the questions you have. Most importantly the performance will start at 6.30pm and we will have some food for sale (i.e. sausages and sushi) but you need to let us know for catering reasons. Alternatively you can bring a picnic dinner. Either way the performance starts at 6.30pm sharp so if you are planning to eat you should come from 5.30pm.

Prep Orientation
This year we have trailed a new approach to prep orientation. We believe that when we are transitioning a student to the school we are really inducting a family. Therefore we decided to welcome our new parents through morning tea with our current parents. Last Friday at our second orientation session, Parents and Friends organised a beautiful morning tea and parents/carers sat in a café style arrangement where current parents answered questions for our new parents, discussed aspects of transition that they or their friends experienced and any questions which couldn’t be answered were written on post-it notes and answered at the end by school staff. The session was a great success and I would like to extend my sincere thanks to all of our current parents who participated and welcomed our new families. At our next transition session the new preps will meet their 2016 classmates, in their classroom and where possible their teacher.

Resilience Talk for P/1/2 Parents - 3rd December at 7pm
On Thursday 3rd December we are hosting a talk about how to assist children to develop resilience. Parents of 2016 preps and our current prep, one and two parents are welcome to attend the talk, which will be held in the WEB on Clarke St at 7pm. Peta Sigley from the Resilience Institute will be running the session. This talk is free of charge and is suitably timed as we head into the transition period. We will run similar types of talks in different areas such as wellbeing, learning difficulties and/or disabilities next year. While this is targeted at building resilience in younger students, if there are any parents from other year levels who wish to attend this talk, please feel free to join us.
Classes for 2016
The class structures for 2016 will be:
Prep x 4 classes
Year 1 x 4 classes
Year 2 x 4 classes
Year 3 x 4 classes
Year 3/4 composite x 1 (working as part of the year 4 team)
Year 4 x 4 classes
Year 5 x 4 classes
Year 6 x 3 classes
We are still finalising staffing so the students will find out who their 2016 teacher will be later in the term.

Jo Wheeler

WPS Super Science Club family Science and Technology night
Tuesday 24th November 7pm-8.30pm in the WEB

Westgarth Grades 3-6 and their families are invited to join us and our special guests Robogals for an evening of fun!
We are proud to announce that in 2016 the grade 5/6’s will have the opportunity to enter a Lego robotics competition assisted by our special guests Robogals who will be running after school workshops with the students commencing in 2016. There will be an information stand and practice table on the night if you want to find out more, there will also be more info in upcoming newsletters in 2016.

Student showcase - The grades 5/6’s in Code club will be showing off their creations and there will be some computers set up for students to have a go at coding as well. Grades 3-6 are welcome to bring in robots/or any other technology type project they have made either at school or at home, we will have an area set aside for students to show their work. There will be an adult supervising this area, but we ask that the student stay so they can explain what they have made. As this is an out of school hours event we ask that if it is too fragile/expensive it may be better to leave it at home as the school cannot take responsibility for lost/damaged property. To participate in the student showcase, students must register by this Friday 20th Nov, registration signup sheet is located in the WEB.

Other activities include 3D printing, Green screen technology, DIY technology such as how to turn an iPhone into a hologram projector, artificial intelligence, the Robogals will be bringing some robots for the kids to program and more!

We look forward to seeing you there and if you have any questions or are willing to volunteer to assist on the night please email Kerry on wpssuperscience@gmail.com
School Council met on Wednesday 4th November.

The focus of the meeting was the presentation on the master plan for the school by Law Architects and a discussion. The purpose of the master plan is to set a consistent direction for the ongoing improvement of the school facilities. The master plan is nearing completion with one further opportunity coming up for the school community to make comments. School Council thanked the Environment sub-committee and especially Mark Dinning for their efforts.

The policy sub-committee brought two policies for endorsement. The reviewed Professional Development policy is consistent with departmental policy, meets the schools obligations for teacher registration and is aligned to the areas of improvement outlined in the strategic plan the reviewed Assessment and Reporting policy is consistent with departmental policy outlines processes for teachers to follow to inform their teaching and to report to parents. Both policies are available for parents to review on the school website.

A decision was taken to conduct the first annual evaluation of the Spanish program in the first half of 2016, consistent with the original recommendations from the Languages Review working group.

The Governance Working Group tabled new draft standing orders for the School Council. The standing orders set a foundation for an effective and constructive school council. They are the key deliverable from the Governance Working Group, and will be tabled for approval at the next school council meeting.

The school has just received a response from Darebin Council to the recommendations arising out of the Westgarth School Travel Survey conducted by the Safe Travel working party. An article summarising the outcomes is in this newsletter.

Ian MacLean
School Council President

Safe Travel Report - Response from Darebin Council.
Darebin Council have formally responded to the School on recommendations arising out of the Westgarth School Travel Survey. A summary of the response from Darebin Council is detailed below; there are some wins for the School and with many items on the ‘to do list’ for Council.

Speeding
The School, and Council, are advocating for the roll-out of 40km/h on all local roads as dropping the speed limit directly reduces serious road accidents. Speeding is of concern along Mitchell Street and Bastings Street. Unfortunately those streets are currently operating closer to the current 50km/h speed limit of those roads than the 40km/h that would be required for VicRoads to authorise the reduction in speed. Council advised that it would need to implement traffic calming measures before 40km/h could be rolled out - this issue has been logged.
In the meantime because vehicles in the area to the south of Westgarth Primary School are already travelling at 40km/h, streets south of Clarke Street could be converted to a 40km/h zone. Council will be considering a submission to Vic Roads in the near future for this area.
Pedestrian crossings/refuges

- The School proposed refuges for Mitchell Street at Derby and at Newmarket Streets as well as improving the existing zebra crossing with flashing lights on South Crescent at Dennis Station. Council have added these to the future capital works list for consideration for funding in coming years.
- Council agreed that the intersection of Clarke Street and Tobin Avenue would benefit from a pedestrian refuge; this has been placed on Council’s future works list for prioritisation.
- A crossing at Boothby Street (and Separation) was not supported due to its proximity to Victoria Road traffic signals but the issue has been logged. The three intersections of Mason Street and Derby Street (north and south) have road widths that would not allow for a sufficiently wide pedestrian refuge of 1.8m wide to be introduced.
- The School’s request to install turning arrows at Victoria Rd and Bastings Street has been listed but is not a high priority given that there are higher traffic incidences at other intersections. Council will investigate modifying the crossing between the two School campuses to formally operate as a zebra crossing, which gives priority for pedestrians at all times.

Bike Infrastructure

The Travel Survey 2015 results identified a strong need for more bike facilities to enable parents travelling with students to and from school by bike. New bike parking will be installed near the pedestrian exit of Clarke Street on school property and along Newmarket Street on the nature strip near the bike shed. The installation of a bike corral on Brooke Street near the pedestrian entrance of Westgarth Primary School has also been supported.

Unfortunately our request for bicycle symbols on Little Newmarket, Clarke and Bastings Streets weren’t supported, however signs advising of bikes riding contra-flow along Newmarket Street will be introduced the end of the year to make motorists more aware of on-coming cyclists. Arrows have already been painted on the roadway in Newmarket St to highlight vehicle traffic direction.

Parking

Road safety and congestion around the school during pick up and drop off time was the number one safety concern identified by students in the survey. Therefore parking restrictions along Clarke, Brooke and Newmarket Streets have been reviewed both by the school and by Council. New ‘Kiss and Go’ signs at the three entrances of Brooke, Clarke and Newmarket Streets will be installed. The ‘Kiss and Go’ signage will reinforce the 'No Parking' restriction of having to stay with your car and being able to dwell within the area for up to two minutes only. The School strongly encourages parents/carers to park away from these areas and then walk the short distance to school should you wish to leave your car.

New changes to improve access for coaches along the Clarke Street boundary will also be implemented.

Thanks to all of you that filled the survey in this has really helped the School to lobby Council for area wide improvements that we hope will lead to safer roads.
Advice for Parents following the traumatic events in Europe

Children and young people will have seen and heard about the terrorist attacks that occurred in Beirut on Thursday 12 November and Paris on Friday 13 November 2015.

The authorities in countries around the world will help to support the people who have been impacted by this event.

Children often worry and know more than we realise. Adults may assume that children are doing okay if they don't talk or ask questions about what has happened. Sometimes they have questions they may not ask unless we provide the opportunity. Most children and young people will experience normal reactions to something that is distressing and with support from trusted adults around them these reactions will subside. Routines are important when an event like this occurs. School can be very useful to support all children and young people. Remember sometimes teachers and parents feel like we don’t have the answers. It is helpful to remind children and ourselves that there are people working hard to make the current situation better.

Specific advice for parents:

- It is wise for you to monitor your child’s exposure to television coverage, print media and social media.
- Some children and young people will want to talk about the tragic events and try to make sense of what they have both seen and heard.
- Other children will avoid any discussion around the events and will be reassured by routine and normality.
- Remember the importance of routine, sleep, exercise and healthy eating.

There is a range of things you can do to assist your child during events such as this, including:

- Acknowledge that the event was distressing
- Reassure children that they are safe
- Look for signs of distress (e.g. some children/young people might be scared)
- Normalise responses - typical response will range from anger to general upset or sadness
- Maintain a normal routine - keeping the structure at home or at school in place
- Allow children to express feelings as they arise
- Telling stories about how people manage during difficult times can be helpful.
- Separate fact from fiction e.g. children may express fears about unrelated events.
- Plan relaxing activities before bed – talk your child through a gentle relaxation, this might include using soothing music and talking them through relaxing tension in their body or simply reading something to them that induces relaxation (i.e. a favourite book).
- Speak in hopeful terms – children and young people will often take their cues from their parents' reactions; if you are honest, calm, compassionate and open they will be much more able to trust that they will be okay.
- Always remember the value of doing something with children that they like to do such as playing, exercising, being outdoors - have a time during your day to share time with your child.

Westgarth Primary School
MULTICULTURAL WEEK - Monday 16 - Friday 20 November

Hola! It’s MULTICULTURAL WEEK this week, an event to celebrate all the rich variety of cultures in our school. Here’s an outline on what’s going to happen during the week:

<table>
<thead>
<tr>
<th>Wednesday 18 Nov</th>
<th>Thursday 19 Nov</th>
<th>Friday 20 Nov</th>
</tr>
</thead>
<tbody>
<tr>
<td>Dress up and Multi-age activities 11.15am to 12.55pm</td>
<td></td>
<td>Soccer match Years 3-6 Lunch time</td>
</tr>
</tbody>
</table>

On Wednesday, 18 November there will be a multicultural **dress up and multi-age activities**. You can dress up from any culture you like: you could come as a cowboy, come in a Scottish kilt, come in a Mexican hat with a big moustache or wrapped in a flag. Note: it’s not just Spanish cultures. It’s worldwide!

On Friday, 20 November will be a soccer day. Put your soccer jersey on and join the **Barça VS Madrid** soccer match (go Barcelona). The match will be for Years 3 to 6 during lunch time (organised by School Captains). Even if you don’t feel like playing, don’t forget to wear your soccer jersey! We would like to see as many colours as possible!

$2 per student has been allocated from the Activities Payment to cover the cost of the special workshops from Prep - 6 with the balance covered by the Spanish Language Program.
SPORT NEWS

Orienteering
Westgarth Primary competed in the Victorian Primary School Orienteering Championship on Friday 6th November. We had a strong team of 157 Grade 3-6 students.

All the students competed to the best of their ability at Hawkestowe Park in South Morang. Orienteering requires a wide range of skills such as map reading, stamina, and persistence. A massive thank you to Anne and Bruce Arthur who are orienteering experts. They helped coach the students on the day before they headed off on their course. Thanks to Andy, Shayne, Christine, Mark, Sarah T, Ryan and Sarah L for assisting the students on the day.

In the overall results Westgarth achieved a very close 2nd place which was very exciting. Most of our students finished in the top 10 in their age groups. The following students received a placing on the day. It was a terrific achievement and all students that competed should be very proud of themselves.

Triathlon Grade 3-6
Westgarth had 193 very enthusiastic students compete in the District Triathlon event last Friday. All students had a great day either swimming, running or cycling. We are very lucky to be able to compete in a team triathlon event. Northcote is one of only two districts in Victoria that hold a triathlon competition for primary school students. Well done to all the students who competed – it was a really fun day!

Rushe Lynch
PE
Walktober
This October, Westgarth primary school participated in Walktober. Walktober is all about active transport and the environment. Our total tally for all the walks at Westgarth, there was a whopping 10,182 walks! Grade 2 Mark had the most active trips to school overall, while grade 4CD had the most in the past two weeks!
Great job!
By Ella S.

Walktober
Last month Westgarth primary school participated in Walktober, an event that encourages all students and teachers to walk to school in an environmentally friendly way. We want to congratulate Mark for the most active travels in the last two weeks of October with a total of 277, Great work! We would also like to congratulate Christine and Dorothy for getting to school the most environmentally friendly way throughout the month of October, with a whopping great 411 active travels. We would also like to congratulate all the students and teachers for participating in Walktober because without you we would not have been able to reach our goal of 10,000. The total amount of students and teachers that walked to school in the month of October was 10,182.
Fantastic work Westgarth! Jade & George

Northcote High Public Speaking Contest
On the 13th of October, Baptiste and I (Katie) went to the annual Northcote High public speaking contest and represented Westgarth Primary. When we got there it was very nerve racking especially when the high school students said “Is it orientation day?” When we got to the library (where it was being held). We sat down and Martin Ramsey addressed the crowd with information about the day. Fourteen other students from schools in the area also participated. We all presented great speeches. Baptiste came third, and I (Katie) didn’t get a place, but it was still fun! After the results were announced, we got pizza! Special thanks to Cameron (Year six teacher) who chauffeured us and supported us at the contest. Go Westgarth!
By Katie M and Baptiste E
Orienteering

On Friday 6th of November the 3-6’s had the opportunity to attend the Regionals Orienteering Championships. It was fun day, despite the few showers we were unlucky enough to have. But all this wouldn’t have happened without the amazing Rushe Lynch who made it all happen.

We came an amazing 2nd place behind Glenn Katherine. Thanks to all the children who participated. We would also like to thank all the amazing teachers who came and supported us. The orienteering was fun, even if you didn’t come first and we would encourage everyone to give it a go next year!

By Catherine M and Chloe S

Grade 2's are looking at our environment and the effects we place on our world.
Sirinya H. from Year 2 Nettie wrote this poem!

WE COULD BE HEROES by Sirinya H

Not noticing anything
But if you take a closer look
You will see
What’s wrong!

There are plastic bags
In our oceans
And rubbish on the ground.
If we pick it up…….

We could be HEROES!

We could save
Thousands of animals
If we be aware!
LOOK for rubbish!
Everywhere!!

We could be Heroes!!
We could be HEROES

For lots and lots of animals
If we look after our world
We’ll have somewhere good
To Live!!
We could be HEROES!
Silver beet is an easy and reliable vegetable to grow in your garden. It often self seeds and just keeps growing and spreading. This was a popular recipe in the kitchen recently.

Silver Beet and Feta Pie
Serves 4-6

Ingredients
400 gm silver beet
2 medium onions
1 tablespoons oil
120 gm feta
4 eggs
salt and pepper

Method
1. Pre heat oven to 180 - 200 degrees Celsius
2. Finely chop the onions and fry in the oil
3. Chop the feta into small cubes (1/2 cm)
4. When the onions are lightly brown add the feta and stir around briefly. Take off the heat.
5. Finely slice the silver beet. Boil a saucepan of water and blanch it for 30 secs.
6. Drain the silver beet thoroughly in a strainer.
7. Break 4 eggs into a small bowl and mix around with a fork.
8. Add the eggs to the fry pan and stir around carefully.
9. Add the drained silver beet to the fry pan. Mix all ingredients together well.
10. Season with salt and pepper.
11. Oil the baking dish and pour in the mixture.
12. Bake in the oven for 20 mins or until lightly browned.

Look at these snow peas fresh for the garden on their way to a crunchy salad. Our knife skills are definitely improving!

WATER SAVING
We would love some 4 litre ice cream containers to catch the water from the drinking taps to put on the herb boxes. 2 litre ones are welcome as well.
Muchas Gracias!
Parents and Friends Club logo
We have a logo! A huge thank you to Matt Clare for this wonderful design. Wherever you see this logo you know there will be opportunities to connect, have fun, and support our school.

General enquiries: westgarthpandf@gmail.com

Prep orientation
Thank you to all the parents who helped at the Prep Orientation session and brought along baked goodies. It was very helpful for new parents to ask questions of seasoned insiders and feel welcomed into the Westgarth community.

SPECTRE parents’ night out
Dirty martini anyone? A stylish group of Westgarthians met on Sunday to view the latest in boy-toys and spy fashion at a screening of the James Bond epic, SPECTRE. Thank you to Caroline Roberts for organizing!

UPCOMING EVENTS

Tuesday 24\textsuperscript{th} November from 7.00-8.30pm in the WEB: Family Science and Technology Night. For Grade 3-6 children and carers.
Enquiries: wpssuperscience@gmail.com

Sunday 29 November from 10.30-2.30pm in the Farmhouse MAKERS GROUP
Everyone is invited to come along to this festive session. Make some cards and decorations for the holiday season using recycled papers. Perfect for primary aged children!

We plan to make:
\begin{itemize}
\item Paper chains using maps, old book pages or music paper.
\item Salt dough decorations, using cutters, to hang on the tree.
\item Circle paper baubles and garlands.
\item Pom Pom garlands from wool.
\item Paper beads for necklaces
\item Christmas cards
\item Baubles for tree out of recycled paper with seeds in them.
\end{itemize}

Check out our Pinterest board for inspiration: https://www.pinterest.com/jsmm/xmas-makers-group-session/

What to bring? It would be helpful to bring some or all of the following: Christmas paper or cards, old magazines, decorative paper, glue stick, PVA and stapler. Wool and buttons also good! And of course, a plate of snacks to share! Queries: marceljessamy@yahoo.com

Junior School Concert: Tuesday 1 December on Brooke Street. Food for sale on the night. Helpers welcome.

Wednesday 16\textsuperscript{th} December: End of year disco for Grade 5/6s.
NI HAO! HELLO!

Dear students, parents & teachers of Westgarth Primary School

We are delighted to be invited to offer Mandarin classes to your students. This can only happen if there is interest from the school community.

To help you make a decision, we are providing you with some information about us.

We, the Storz Centre of Accelerated Learning Excellence (SCALE) are the children's arm of the Australasian Centre of Chinese Studies (ACCS).

ACCS, was founded by Dr Moni Lai Storz, in 1994, has been offering Mandarin & Cantonese classes to adults and children for over 20 years in Australia & the UK.

SCALE is designed to support parents and schools in their efforts to build communities through learning and teaching excellence in Chinese language/dialects and culture.

Dr Storz pioneered the application of Accelerated Learning techniques to the teaching of Chinese Mandarin in Australia and UK. Accelerated Learning or Suggestopedia is a pedagogical approach based on a whole brain communication model using tools from the performance arts such as music, story telling, play(s) games, relaxation/creative visualization and kinesthetic exercises to process content, in this case, Mandarin.

Accelerated Learning is further backed up by the findings from neuroscience regarding brain plasticity. Children (and adults) learn best by using both sides of their brain simultaneously. This creates an accelerated outcome not only in content but students’ self esteem and love for the subject also increases.

Our classes are an after school program. Currently, we are working with several schools: Merri Creek Primary, Montmorency Primary, St Mary's Catholic Primary in Ascot Vale and Heatherton Christian College. In addition to these school supported programs, public weekend classes are held also in Hawthorn, Mt. Waverley and Box Hill.

A term consists of 8 weeks, one 2 hour class per week.

There are 2 classes for 2 separate age groups, 4-6 years old, 7-11+ years old

Classes begin in the second week of each school term at 3.45-5.45pm and end the week before term closes.

The cost per student is $250 per term including GST, text books & any other supplementary materials.

In order to support the school further, we deal with all the administrative work regarding enrolment so please contact us directly for all enquiries.

Contact: Dr Moni at moni@accschinese.com

Olga: olga@accschinese.com or 0421 709 414

Please return your name and details to us by emailing it to: moni@accschinese.com or text Olga on, mobile: 0421 709 414.

---------------------------------------------
No rest for the wicked - more jars please!

Hopefully by now you’ve had a couple of weeks enjoying all your jammy purchases from the Fete, and are starting to build up a new collection of jars to donate back to start the whole cycle again.

If so, good news! It’s only a month or two till stone fruit season and we are in need of all your lovely jar donations please. As always, please drop off to the trolley in reception, and if you have time to clean the labels off for us, we will love you forever.

Anne (0417 114 0880 on behalf of your Jammy Team

Fete 2015 – THANK YOU from the PLANT STALL

The plant stall flourished again and it’s thanks to help from so many people and sponsors that again it was a spectacular display.

Specifically we need to mention Scotsburn Nurseries (donated seedlings), Bunnings Northland (donated plants & supplies), Bulleen Art and Garden aka BAAG (donated seedlings), Victorian Indigenous Nurseries Co-op aka VINC (again their tubed natives were tremendously popular). We also need to mention Craig, Wayne and George (who all donated potting mix). Thanks also goes to all the sellers on the day – after a few hours of giving plant advice our maths was getting shaky and without you the money might not have changed hands. We also need to thank those who bought the plants - otherwise we’d have been left scratching our heads as to what to do with the leftovers!

Set-up on Saturday cannot be achieved without the help of those who drove trailers, shifting the thousands of plants (Bruce, Sean and Merryn, Jutta, Cam, Mark) and those who helped set-up the display (Sophy, Sandra, Liz, Rose, Claire, Karina, Natalie). It is a year-long effort (demonstrated by the fact that Penny has already started taking cuttings in preparation for 2016) so we need to also mention the people who let us into their garden, grew and donated plants (Desiree, Liz, Angie, Soo, Anne Martinelli’s Dad, Merryn, Anna), those who were plant-sitters (Katie, Liz, Anna, Bindi), people who recycled their pots (the pot bin is still outside the office so please fill it! You can also recycle pots at BAAG and CERES), Joan Datsun’s Dad (the kids are now at uni, but he still provides us plants!!), and those who came to potting sessions both arranged and impromptu (Alison, Rose, Claire, Anna, Vanessa, Robyn, Merryn, Bindi, Karina, Penny’s sister, Penny’s Mum and Dad, Christine’s Mum and Dad, and all the kids).

If we’ve missed anyone that helped out in preparation for this year’s event please accept our apologies. If you are keen to get involved for next year (and beyond) let us know. Happy planting from Penny and Christine!

Darebin Falcons
Soccer is a great way for girls to get fit, make new friends and have fun! Darebin Falcons are holding a free "Come and Try Soccer" Day for girls aged 4-15 years. Come down to our home ground, A.H Capp Reserve, Halwyn Crescent, Preston on Sunday, November 22nd from 9.30am-11.00am for a morning of soccer fun.
Wear comfortable clothes, shoes for running in and bring a water bottle.
Please contact Jasmine Hirst soccer@falcons.org.au or 0422 991 687 for further information.

The Westgarth Primary School Council does not endorse any of its sponsors or advertisers, but we do acknowledge their support.
