Westgarth Primary School is a community of students, staff, friends and family working together to create a diverse, engaging and respectful learning environment.

Rationale

Westgarth Primary School is bound by the Victorian privacy laws, the Information Privacy Act 2000 and the Health Records Act 2001, as well as other laws that impose specific obligations in regard to handling personal and health information that directly or indirectly identifies a person.

The School is committed to protecting the privacy of personal and health information. This policy supports the School’s need to collect information and the right of the individual to privacy. It ensures that the School can collect personal and health information necessary for its services and functions, while recognising the right of individuals to have their information handled in ways that they would reasonably expect and in ways that protect the privacy of their personal and health information.

Aims

To ensure that personal and health information that the School collects and holds is managed in a manner consistent with community expectations, professional standards and legal obligations. This policy applies to staff, school council, students on placements, consultants and volunteers who may come about confidential information in the course of their work with W.P.S.

Actions

Personal and health information is collected and used by W.P.S to –

- Provide services or to carry out statutory functions
- Assist the school services and its staff to fulfil its duty of care to students
- Plan, resource, monitor and evaluate School Services and functions
- Comply with Department of Education & Early Childhood Development (DEECD) reporting requirements
- Comply with statutory or other legal obligations in respect of staff
- Investigate incidents or defend legal claims against the school, its services or its staff
- Comply with laws that impose specific obligations regarding the handling of personal and health information.

The School has adopted the *Privacy Principles in the Victorian privacy laws* as minimum standards in relation to handling personal and health information. In broad terms, this means that the School:

- collects only information that is required for a specified primary purpose
- ensures that the person supplying the information knows why the information is collected and how it will be handled
- uses and discloses it only for the primary or a directly related purpose, or for another purpose with the person's consent (unless otherwise required, permitted or authorised by law)
- stores it securely, protecting it from unauthorised access retain it for the period authorised by the *Public Records Act 1973*, and takes reasonable steps to permanently de-identify personal or health information when it is no longer needed
- provides people with access to their own personal and health information and permits people to seek corrections if necessary.

The purposes for which the school uses the personal and health information of students and parents include:

- Keeping parents informed about matters related to their child’s schooling
- Looking after students’ educational, social and health needs
- Celebrating the achievements of students
- Day to day administration
- Satisfying the School’s legal obligations
- Allowing the School to discharge its duty of care

The purposes for which the School uses the personal and health information of job applicants, staff members and contractors include:

- Assessing the suitability for employment
- Administering the individual’s employment or contract
- For insurance purposes, such as public liability or Work cover
- Satisfying the School’s legal requirements and
- Investigating or defending legal claims about the school, its services or staff

Principles

Collection

- The School will collect only personal and health information that is necessary for performance of its functions and activities.
- Individuals will be told why this information is required, what it will be used for and that they can gain access to their personal and health information.

Use and disclosure

- The school will use and disclose information only for the primary or a directly related purpose, or for another purpose with the person's consent (unless otherwise required, permitted or authorised by law)
- Personal and health information at our school may only be transferred from one person to another when it is professionally appropriate and legally acceptable to do so.
- Where consent for the use and disclosure of personal and health information is required, the school will seek consent from the appropriate person. In the case of a student's personal and health information, the school will seek the consent from the student and/or parent depending on the circumstances and the student’s mental ability and maturity to understand the consequences of the proposed use and disclosure.
- The School will seek written permission from parents for the use of their children’s photographic images or work to be used in such specified contexts as school-related promotional materials.
- The School will ensure any public references to children will have their identity modified to ensure their privacy.

Data quality

- It is the responsibility of staff and families to ensure that the personal and health information being held by WPS is accurate, by advising WPS of any changes.

Data security

- All personal and health information relating to any current or past parents, families, students or staff members will be maintained in individual files, stored in a safe, secure and confidential manner and only accessed by appropriate senior staff members and the Principal.
Westgarth Primary School Policies

- Staff members provided with personal information relating to students or families should present the documentation to the Vice-Principal or Principal so that it can be retained on the confidential individual file.

Openness
- On request, WPS will take reasonable steps to let the person know, generally, what sort of personal and health information it holds, for what purposes, and how it collects, holds, uses and discloses that information.

Access and correction
- A parent, student or staff member may seek access to their personal and health information provided by them that is held at the school.
- Staff members are to direct any requests for confidential information to the Principal. The School aims to keep the personal and health information it holds accurate, complete and up-to-date. A person may update their personal and health information by contacting the Principal.
- Access to other information may be restricted according to the requirements of laws that cover the management of School records. These include the Public Records Act and the Freedom of Information Act.

Additional information
- All staff will be reminded regularly about workplace privacy obligations.
- The Principal will thoroughly investigate any alleged breaches of privacy in accordance with DEECD’s Privacy Complaints Handling Policy.
- This policy is to be read in conjunction with Privacy and Communication notices distributed to new parents on enrolment and existing parents each year, in accordance with the Privacy Act 2000.

Definitions

**Personal Information** means information or opinion that is recorded in any form and whether true or not, about an individual whose identity is apparent, or can be reasonably be determined from the information or opinion. For example this includes all paper and electronic records, photographs and video recordings.

**Health information** is defined as including information or opinion about a person’s physical, mental or psychological health, or disability which is also classified as personal information.
